1. Provide a table of the count of plans under each plan type.

Table: Count of Plans by Plan Type (2018)

| Plan Type                               | Number of Plans |
|-----------------------------------------|-----------------|
| 1876 Cost                               | 101             |
| Employer/Union Only Direct Contract PDP | 3               |
| HMO/HMOPOS                              | 2678            |
| Local PPO                               | 966             |
| MSA                                     | 5               |
| Medicare Prescription Drug Plan         | 1011            |
| Medicare-Medicaid Plan HMO/HMOPOS       | 54              |
| National PACE                           | 258             |
| PFFS                                    | 50              |
| Regional PPO                            | 109             |

2. Remove all special needs plans (SNP), employer group plans (eghp), and all “800-series” plans. Provide an updated version of Table 1 after making these exclusions.

Table: Count of Plans by Plan Type (Excluding SNP, EGHP, and 800-Series Plans)

| Plan Type                         | Number of Plans |
|-----------------------------------|-----------------|
| 1876 Cost                         | 89              |
| HMO/HMOPOS                        | 1569            |
| Local PPO                         | 569             |
| MSA                               | 3               |
| Medicare Prescription Drug Plan   | 794             |
| Medicare-Medicaid Plan HMO/HMOPOS | 54              |
| National PACE                     | 258             |
| PFFS                              | 46              |
| Regional PPO                      | 49              |

3. Now repeat the same filters from part 2 but also focus only on counties in which plans are approved as per the service area files. With these data, provide a table of the average enrollments for each plan type.

**Table: Average Enrollment by Plan Type (2018)**

| Plan Type                         | Average Enrollment |
|-----------------------------------|--------------------|
| 1876 Cost                         | 253                |
| HMO/HMOPOS                        | 756                |
| Local PPO                         | 331                |
| MSA                               | 58                 |
| Medicare-Medicaid Plan HMO/HMOPOS | 989                |
| National PACE                     | 144                |
| PFFS                              | 94                 |
| Regional PPO                      | 189                |
